Description: A woman on the run collides with a danger more lethal than she feared in this Ghostwalker novel by #1 New York Times bestselling author Christine Feehan. Ghostwalker Kane Cannon is pure male—animalistic, sexual, protective, instinctive—and his past missions have prepared him for anything. But his newest assignment, to rescue hostages in Mexico, plunges...

Review: I couldnt wait for this book to end. The only good part - and it WAS good which is why you may want to give the 2nd book a chance (even though I am seriously recommending you avoid this one) - the only good part was the actual paranormal plot line. It was intriguing, but got only about 20% of the focus. Another 5% of time went towards introducing characters...
